

U.S. Presidential Candidate to address Republican Women of Arlington

ARLINGTON, TX (May 17, 2023)--Business leader and pastor [Ryan Binkley](#) will be the guest speaker at the [Republican Women of Arlington](#) meeting on May 18, at Skillet N' Grill, 1801 W. Division St., Arlington. The meeting begins with lunch at 11 a.m.; the program starts at 12 p.m.

More than 70 women are expected to see Binkley share his vision for the Republican party to unite all Americans with a revitalized sense of faith, freedom and compassion.

“Our leaders have led us to a place where we are broken financially, relationally, and morally. No one is interested in a rerun of the politics of our day, and it’s time for us to turn to God and to each other for truth and wisdom that will change our country,” said Binkley, named as one of several prominent candidates running for president in a recent [Politico](#) article.

Binkley launched his campaign for U.S. president at the University of Texas in April and has been meeting with party leaders and voters in Iowa this month.

[Binkley](#) serves as the co-founder and CEO of [Generational Group](#), a Dallas-based global investment banking and consulting firm that was recognized as the North America Investment Bank of the Year by the M&A Advisor in 2022. The company guides business owners on how to grow and sell their companies even in difficult times. Binkley believes similar strategies can be applied to the future of our country and economy.

“I believe we are at a pivotal moment in our nation’s great history. Our debt is out of control; our people are divided, and we’ve lost our way. It’s clear we need a change, and we need solutions that unite our country,” Binkley said.

Binkley is also the co-founding pastor of Create Church along with his wife, Ellie. As a pastor, [Binkley](#) guides [Create Church](#) to care for all members of the community through teaching God’s word, urban missions, food drives, youth ministry and marriage support.
